Advocacy Issues for DV Survivors who Have Used Force

April 27, 2010 – April 28, 2010

April 27th, 10 AM-5PM and April 28th, 9 AM to 4:00 PM

The Kentucky Domestic Violence Association will be hosting Connie Burk, co-founder of the first regional LBTG survivor services in Kansas. Ms. Burk has directed The Northwest Network of Bisexual, Trans, Lesbian and Gay Survivors of Abuse in Seattle, WA since 1997. She is the co-author of the groundbreaking work, *Trauma Stewardship: An Everyday Guide to Caring for Self While Caring for Others*, and an Executive Producer of the documentary film, *A Lot Like You*. She is currently authoring a Domestic Violence Assessment Manual.

Ms. Burk has designed a workshop to address advocates' struggle in working with survivors who use violence while resisting abuse. Participants will be given the opportunity to develop practical and analytical skills to improve their work in this area as well as create advocacy strategies that avoid victim blaming while supporting survivors to act as full agents in their own lives. **THIS TRAINING ONLY HAS AVAILABILITY FOR 40 PARTICIPANTS and will be extended to Shelter Advocates and Open Doors Committee members first.**
