## Reproductive Health and Domestic Violence: The Issue of Pregnancy in Intimate Partner Violence

**Friday, June 18th, 2010**

9:00 a.m. – 2:00 p.m.

This workshop will provide an overview of how reproductive health plays a role in addressing the needs and circumstances of domestic violence victims and survivors, with a special focus on pregnancy in the context of an intimate partner violence relationship.

REGISTRATION FORM: (Registration deadline: June 14th, 2010)

Name: \_\_\_\_\_

### **Workshop Objectives:**

- Become aware of the intersections of reproductive health and domestic violence
- Identify specific areas of reproductive health that are particularly affected by domestic violence
- Be familiar with the overall research findings in terms of reproductive health impact of domestic violence
- Understand the unique circumstances of pregnant victims of intimate partner violence
- Identify some ways in which domestic violence programs can support women in a holistic way, including the reproductive health needs of women and their families
